

Canterbury Players ~ Play Reading Committee

Remit: To read and recommend full length and one act plays, for the society to use.

To meet as desired and report back any findings at committee meetings.

To consider: Good size cast - sells more tickets? More females? Popular author?
Inexpensive set and props - within our budget?

To use our script library or borrow scripts eg www.script-swap.com or similar -
from friends in other societies - Manchester or Leeds Libraries etc.

*** If any members have seen a good play which they think we might be able to perform, please complete this form and send it to the General Secretary, who will pass it on to the Reading Committee.*
